## ELECTION

Please read the following questions in the sense that they are posed to stimulate discussion.

However, when the microphone comes to you: please offer any of your independent thinking regarding *elections*.

### QUESTIONS

- Should voting be mandatory?
- Why does Congress have a low *approval rating* (13%)?
- Should we change our election system?
- What do you think the impact of money has on elections?
- Is our election system fair?

Okay, the ball is in your court: what do you think?

NOTE: useful *searches*: Federal Election Laws, Electioneering, Sweden Election Laws, Summary of Election Laws in other countries, Mandatory Elections..
